

Product Change Notice (Apacer PATA Disk Drive - Micron 25nm MLC Flash Transition)

Release date: Feb. 25, 2015

Dear Valued Customers,

Apacer hereby announces the Product Change Notice of **PATA Disk Drive** products, as a result of limited Micron 25nm NAND flash supply and better NAND flash price. The alternative flash is Toshiba A19 NAND flash. This change is backward compatible. Affected products which adopt new flash have passed all verifications and qualifications with no function and compatibility issue.

The details of changing description, schedule and affected part number are listed at below table:

➤ **Affected Part Number:**

Capacity	AFD 257 P/N	AFD 187 P/N
