1. Product Introduction

The Apacer AH130 featuring a built-in clip and swivel design, the newly-unveiled flash drive can be clipped onto your pocket, notebook or badge holder, while the USB connector can be swiveled out with one finger in a simple and quick way! AH130 is enclosed in high-quality aluminum alloy toned in three impressive colors of fiery orange, magic red and ocean blue. The multi-colored personalized appearance gives it a trendy, urban look.

Available for one-hand operation, AH130 offers rapid data transmission complete with a compact and sleek design! Not only so, AH130 comes with the strap hole that allows users to carry or attach this nifty USB drive easily, adding to the convenience of AH130.

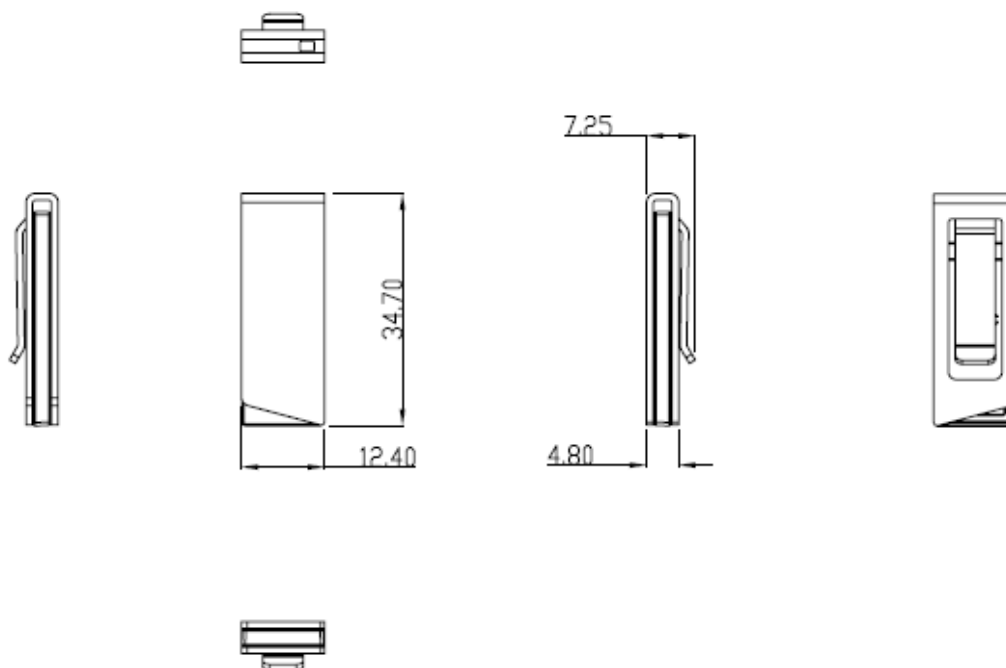

2. Features

- High-speed USB 2.0 certified, backwards compatible with USB 1.1
- Easy plug & play
