1. Product Introduction

AH134, the super-mini audio car USB flash drive, allow drivers to enjoy music more easily. The metallic touch of the USB connector goes with an understated matte black finish as well as a delicate, car key-shaped look. When connected to the audio panel, AH134 can be combined with the car's interior and become the perfect match for all car models! This coin-sized, car key-shaped gadget just perfectly fits the car's interior!

When inserted into the USB slot, the coin-sized AH134 (28.3 mm length x 16.5 mm width x 8.5 mm height) occupies only little space, with its protruding part measuring merely 1.6 cm in length. AH134 is available in capacities from 4 GB to 8 GB. The 8GB version can store over 2,000 songs. It is a must-have, time-killer audio gadget for you to have fun with during long drives!

AH134 adopts the advanced COB technology, which offers water-proof and dust-proof features. Compatible with the latest Windows 7, it is a one-size-fits-all solution for computers of different generations.

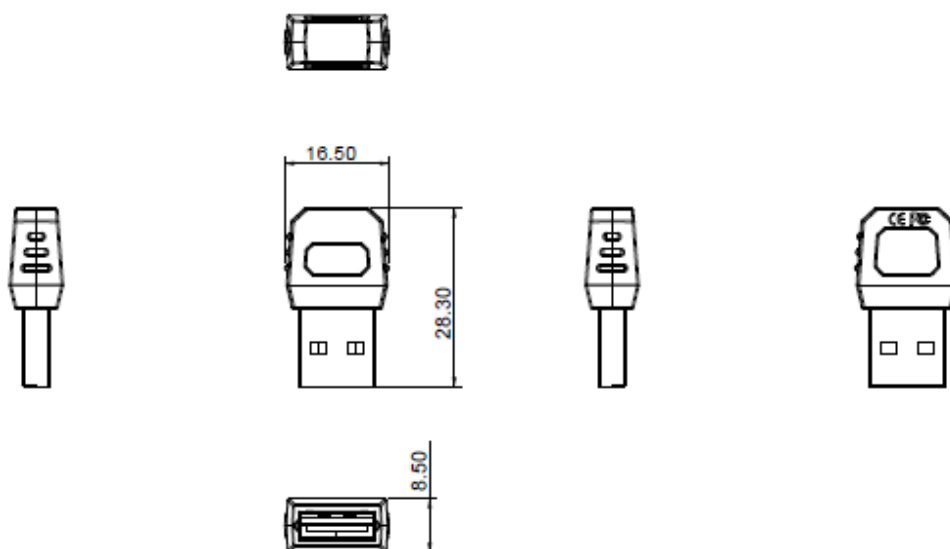

2. Features

- High-speed USB 2.0 certified, backwards compatible with USB 1.1
- USB powered. No external power required.
- Easy plug & play
- Ultra compact and slim
- Delicate car-key shaped look
- Perfect match for all car models with USB slot to enjoy music on the go
- RoHS compliant
